		Ajuga	Burgundy Glow	Bugleweed	Full Sun-Shade	6	12-18	blue	variegated	Mid-Late Spring	Average	3-10					X		X			X	X	Foliage - creamy white, rose-burgundy, and dark green, then deep bronze and rose in Fall.	
X		Ajuga	Dixie Glow	Bugleweed	Full Sun-Shade	4	12	blue	variegated	Spring	Average	3-10					X		X			X	X	Petite ground cover great around stepping stones.	
		Ampelopsis	Elegans	Porcelain Vine	Full-Part Sun	10-25 ft	8-15 ft		variegated	Mid Fall	Average	4/5-8	X								X		X	Grape-like leaves splashed with white, new growth is pink, multicolored berry clusters cream to blue.	
		Anemone	Glacier	Japanese Anemone	Full-Part Sun	12-16	12	white-blue	green	Late Summer-Fall	Consistent	4-8		X			X							White flowers with metallic blue color to the outside of petals.	
		Aquilegia	Pink & Yellow	Columbine	Full-Part Sun	20-25	12-19	pink/yellow	green	Spring-Early Summer	Average-Consistent	3-9		X	X	X		X						Beautiful tall variety with lots of blooms per plant. Best in cooler weather, plant in spot with afternoon shade.	
		Aquilegia	Swan Blue & White	Columbine	Full-Part Sun	20-24	12-18	blue/white	green	Spring-Early Summer	Average-Consistent	3-9		X	X	X		X						Beautiful tall variety with lots of blooms per plant. Best in cooler weather, plant in spot with afternoon shade.	
		Aquilegia	Swan Burgundy & White	Columbine	Full-Part Sun	20-24	12-18	burgundy/white	green	Spring-Early Summer	Average-Consistent	3-9		X	X	X		X						Beautiful tall variety with lots of blooms per plant. Best in cooler weather, plant in spot with afternoon shade.	
		Aquilegia	Swan Red & White	Columbine	Full-Part Sun	20-24	12-18	red/white	green	Spring-Early Summer	Average-Consistent	3-9		X	X	X		X						Beautiful tall variety with lots of blooms per plant. Best in cooler weather, plant in spot with afternoon shade.	
		Aquilegia	Swan Violet & White	Columbine	Full-Part Sun	20-24	12-18	purple/white	green	Spring-Early Summer	Average-Consistent	3-9		X	X	X		X						Beautiful tall variety with lots of blooms per plant. Best in cooler weather, plant in spot with afternoon shade.	
		Aquilegia	Swan Yellow	Columbine	Full-Part Sun	20-24	12-18	yellow	green	Spring-Early Summer	Average-Consistent	3-9		X	X	X		X						Beautiful tall variety with lots of blooms per plant. Best in cooler weather, plant in spot with afternoon shade.	
		Aralia cordata	Sun King	Golden Japanese Spikenard	Part Sun	36	24-36	white	chartreuse	Mid-Late Summer	Consistent	3-9					X							Hardy, tropical looking beauty brightens up shade gardens, darker green in deep shade, white flowers give way to purple-black berries in fall.	
		Artemesia	Silver Brocade	Wormwood	Full Sun	12-18	18-24		silver		Low-Average	3/4-8										X		Intense silver foliage, dense ground-hugging mat. May be sheared back.	
		Artemesia	Silver Mound	Wormwood	Full Sun	12	18		silver		Low-Average	3-7										X		Neat, ferny silver foliage on compact mounding plant, great for edging.	
		Aruncus	Guinea Fowl	Goat's Beard	Full Sun-Shade	24	24	white creamy	green dark	Early-Mid Summer	Average-Consistent	4-7		X			X		X					Beautiful foliage with upright flowers for a very nice contrast.	
		Aster	Professor Kippenburg	New York Aster	Full Sun	12-24	12-18	lavender-blue	green	Late Summer-Fall	Average	3-8		X	X					X				Dwarf, compact habit does not require staking. Prolific bloomer with semi-double bright lavender-blue.	
		Aster	Purple Dome	New England Aster	Full Sun	18-24	18-24	royal purple	green	Late Summer-Fall	Average	3-8		X	X					X				Forms solid, rounded mound of royal purple flowers. Best medium height aster, foliage mildew resistant.	
		Aster	Red Alert	New York Aster	Full Sun	12-15	12-15	purple-red	green	Late Summer-Fall	Average	3-8		X	X					X				One of the best reds! Densely packed clusters of deep purplish-red flowers cover this compact plant.	
		Astilbe	Amber Moon	False Spirea	Part-Full Shade	34-38	22-28	pink	yellow-green	Early-Mid Summer	Average-Consistent	4-9		X	X		X	X						Useful for brightening up shade gardens with its bright chartreuse foliage in spring, which greens up a bit by late summer. Also provides beautiful, long-stemmed flowers.	
X		Astilbe	Chocolate Shogun	False Spirea	Part-Full Shade	14	12-15	blush pink	chocolate	Early-Mid Summer	Average-Consistent	4-9		X	X		X	X						Native of Japan is easily distinguished by its dark foliage. The rich chocolate-maroon leaves provide a high contrast background for the bushy pink, white flower spikes.	
		Astilbe	Delit Lace	False Spirea	Part-Full Shade	24-36	30	apricot pink	blue green	Early Summer	Average-Consistent	4-9		X	X		X	X						Big and beautiful, red stems carry deep salmon pink buds which open to soft apricot pink flowers on robust clumps of lace foliage. Only a few plants fill a big space.	
		Astilbe	Fanal	False Spirea	Part-Full Shade	20	18-24	red dark	bronze	Mid Summer	Average-Consistent	4-9		X	X		X	X						Will take full sun with adequate moisture, best in afternoon shade.	
		Astilbe	Visions in Pink	False Spirea	Part-Full Shade	26	18	md pink	blue-green	Mid-Late Summer	Average-Consistent	4-9		X	X		X	X						Will take full sun with adequate moisture, best in afternoon shade.	
		Astilbe	Visions in Red	False Spirea	Part-Full Shade	18	12-15	deep red	bronze-green	Mid Summer	Average-Consistent	4-9		X	X		X	X						Will take full sun with adequate moisture, best in afternoon shade.	
		Astilbe	Visions in White	False Spirea	Part-Full Shade	18	12-15	white	deep green	Mid Summer	Average-Consistent	4-9		X	X		X	X						Will take full sun with adequate moisture, best in afternoon shade.	
		Baptisia australis		False Indigo	Full-Part Sun	24	24	blue	blue-green	Mid Spring-Early Summer	Average	3-9		X	X		X							Showy indigo-blue flower spikes up to 1 ft tall turn into black seed pods from fall to winter.	
X		Brunnera	Alexander's Great	Heartleaf	Shade	14-17	30	blue	silver	Mid-Late Spring	Average-Consistent	4-9					X							These gigantic plants have huge, heavily silvered leaves and make a dramatic statement in the landscape.	
		Brunnera	Looking Glass	Heartleaf	Shade	14	24	blue	silver	Mid-Late Spring	Average-Consistent	3-8					X					X		Shimmering silver 5" heart-shaped leaves glow in the shade.	
X		Buddleia	Black Knight	Butterfly Bush	Full Sun	6-8 ft	4-6 ft	violet-purple	blue-green	Late Summer-Fall	Low-Average	5-10	X	X		X	X	X						Slightly harder than others, but still tender perennial in our area, best protected from winter cold-place near building or mulch after freeze. Spectacular summer color from dark, violet-purple flower spikes. Good background or accent plant.	
X		Campanula	Twisterbell	Bellflower	Full-Part Sun	21-23	18-20	blue/white	green	Early Summer	Average	3-8			X		X	X						Produces unique blue and white bi-color flowers, profuse bloomer with large terminal clusters of blue flowers. Secondary blooms occur along the axils of the upright stems for extended summer bloom.	
		Celastrus	Autumn Revolution	American Bittersweet	Full Sun	15-25 ft	3-4 ft	orange-red	green/yellow		Average	2-8				X					X			Revolutionary- only need 1 plant to produce berries! The flowers are great all summer, and then large colorful berries in the fall are great for wildlife or as house decorations.	
		Chelone	Ileniemenie	Pink Turtlehead	Full-Part Sun	10	20	rose-pink	green	Late Summer-Fall	Average-Consistent	3-9		X	X		X		X				X	Long-blooming, shorter version which makes a great groundcover for moist woodland areas.	
		Cimicifuga/Actea	Queen of Sheba	Black Snakeroot	Part-Full Shade	5 ft	24-30	white	dark purple-black	Late Summer-Fall	Average-Consistent	3-8		X	X		X	X						Long, white bottlebrush flowers on dark Cimicifuga, has good garden performance.	
X		Clematis	Boulevard Abilene	Virgin's Bower	Full-Part Sun	3-4 ft	24	pink	green	Early-Late Summer	Average	4-8				X	X	X			X			Ideal for small spaces or containers, easy care & vigorous regrowth each spring. Long flowering period from Spring to late Summer. Ruffled 4" flowers open rich pink then mature to lighter pink revealing a prominent central deep pink bar on each petal for a lovely two-toned effect. Frilly anthers are butter yellow.	
X		Clematis	Amethyst Beauty	Virgin's Bower	Full-Part Sun	6-8 ft	3 ft	light purple	green	Early-Late Summer	Average	4-8				X	X	X			X			Giant blooms that mature from light purple to rich lavender-blue, one of the most impressive climbers for the garden. A very free bloomer, it sets wide open flowers with ruffled edges and red anthers. Before long, all hues of purple and blue are present on the plant at once, for a truly remarkable show.	
X		Clematis	Boulevard Cezanne	Virgin's Bower	Full-Part Sun	3-4 ft	24	light blue	green	Early-Late Summer	Average	4-8				X	X	X			X			Ideal for small spaces or containers, easy care & vigorous regrowth each spring. Long flowering period from Spring to late Summer.	
X		Clematis	Diana's Delight	Virgin's Bower	Full-Part Sun	5-6 ft	3 ft	lavender blue	green	Early-Late Summer	Average	4-8				X	X	X			X			Creamy yellow centers complement the light and dark tones of the unusual lavender-blue 6-7" flowers.	
		Clematis	Earthquake	Virgin's Bower	Full-Part Sun	6-9 ft	3-4 ft	pink	green	Early-Late Summer	Average	4-8				X	X	X			X			Showy, flurry of very large vibrant pink flowers with white bars that form a star-shaped pattern in center of blooms.	
X		Clematis	Empress	Virgin's Bower	Full-Part Sun	5-6 ft	3 ft	pink	green	Early-Late Summer	Average	4-8				X	X	X			X			Rare Clematis combines unusual flower form, frilly pompon-like bloom set on top of a single-flower, with super-long bloom time to give you 5 months or more of glorious color!	
		Clematis	Fujimusume	Virgin's Bower	Full-Part Sun	5-7ft		blue	green	Early & Late Summer	Average	4-8	X			X	X	X			X			Single, slightly fragrant, wisteria blue blooms flow from this elegant, relatively compact plant.	
		Clematis	Innocent Blush	Virgin's Bower	Full-Part Sun	6 ft		pink shades	green	Early & Late Summer	Average	4-8				X	X	X			X			Large 5-7" semi-double blooms resemble a peony in early summer, followed by smaller, single flowers in fall.	
		Clematis	Isago	Virgin's Bower	Full-Part Sun	7-10 ft	3-4 ft	white	green	Early-Late Summer	Average	4-8				X	X	X			X			Elegant reblooming- 1st blooms of fluffly, double white flowers 4-5" across, 2nd round are semi-double to single.	
		Clematis	Jackmanii	Virgin's Bower	Full-Part Sun	8-12 ft	3-4 ft	purple deep	green	Early Summer-Fall	Average	4-8				X	X	X			X			A long-time favorite due to vigorous growth and consistent flowering.	
X		Clematis	Kingfisher	Virgin's Bower	Full-Part Sun	6-8 ft	2-3 ft	deep blue	green	Early-Late Summer	Average	4-8				X	X	X			X			Intense deep-blue to purple flowers are breathtaking, & nicely contrasted with creamy yellow anthers. This exceptional new clematis also reblooms heavily in late summer with slightly smaller flowers for an extended season of color.	
X		Clematis	Rebecca	Virgin's Bower	Full-Part Sun	6-8 ft	2 ft	red	green	Early-Late Summer	Average	4-8				X	X	X			X			Massive 5- to 7-inch blooms in a shade of magenta-red seldom seen in nature cover this climber not once but twice a season. Far more abundant than most others, they draw attention from all corners of the garden, especially during their late-summer encore, when little else is looking its best.	
		Clematis	Red Cardinal	Virgin's Bower	Full-Part Sun	6-10 ft	3-4 ft	crimson-red	green	Early-Late Summer	Average	4-8				X	X	X			X			Glowing crimson-red flowers with blunt tipped, recurving sepals and contrasting cream anthers. Combine with purples and yellows for outstanding color.	
X		Clematis	Shimmer	Virgin's Bower	Full-Part Sun	6 ft	2 ft	sky blue	green	Early-Late Summer	Average	4-8				X	X	X			X			Can be used in a garden location or grown in a container on the deck garden, patio or outdoor dining area. A superb plant for growing with roses, especially on those growing at the base of an archway or on a pergola.

X	Clematis	Sweet Summer Love	Virgin's Bower	Full-Part Sun	12 ft	3-4 ft	purple red	green	Late Summer-Early Fall	Average	4-9					X	X	X			X			Vibrant shades of lush cranberry/violet in hundreds of starry blossoms. Imagine! A Sweet Autumn Clematis in new colors and blooming earlier and longer. Flowers emerge deep red, turn to purple red, and then mature to violet. Cherry-vanilla fragrance. A spectacular fall show.	
X	Clematis	Boulevard Zara	Virgin's Bower	Full-Part Sun	3-4 ft	24	sky blue	green	Early-Late Summer	Average	4-8					X	X	X			X			Ideal for small spaces or containers, easy care & vigorous regrowth each spring. Long flowering period from Spring to late Summer.	
	Coreopsis	Jethro Tull	Tickseed	Full Sun	18-24	24	golden yellow	green	Early-Mid Summer	Average	4-9			X	X		X			X				Golden yellow flowers with fluted petals give a double flower affect. Very showy from a distance and one of our favorites from trials.	
	Coreopsis	Moonbeam	Tickseed	Full Sun	18-24	15	yellow pale	green	Early-Late Summer	Low-Average	4-9				X		X			X				Popular landscape plant, drought tolerant, flowers all summer. Loves heat and humidity.	
	Delosperma	Lavender Ice	Hardy Ice Plant	Full Sun	4-6	12-24	lavender	green	Early-Late Summer	Low	5-9	X					X					X		2" frosty orchid-lavender daisy flowers blanket the succulent light green foliage all summer. Extremely drought tolerant, great for gravelly hot spot or slope.	
	Delphinium	Darwin's Indigo Indulgence	Larkspur	Full-Part Sun	30	10-12	purple	green	Early & Late Summer	Average	3-8			X	X	X	X	X							Triple-layered rich purple flowers on shorter spikes may not need staking like traditional delphiniums.
	Delphinium	Darwin's Pink Indulgence	Larkspur	Full-Part Sun	40	12-14	pink	green	Early & Late Summer	Average	5-8	X		X	X	X	X	X							Triple-layered true pink flowers on tall spikes are showy from any distance.
	Dianthus	Bouquet Rose	Pinks	Full-Part Sun	18-25	10-13	rose	green	Early & Late Summer	Average	4-9			X	X		X							One of best perennials for consistent color all season.	
	Dianthus	Bouquet Rose Magic	Pinks	Full-Part Sun	18-24	10-12	white/pink/rose	green	Early & Late Summer	Average	4-9			X	X		X							One of best perennial for consistent color all season. Blooms start white, darken to rose as mature.	
	Dianthus	Scent First Passion	Pinks	Full-Part Sun	12	18	red	blue-green	Early & Late Summer	Low-Average	4-9		X		X		X							Candy apple red blooms have magnificent fragrance, & are actually edible. Great in rock garden, border planting or as groundcover.	
	Dicentra	Alba	Bleeding Heart	Part-Full Shade	30	24	white	green	Late Spring	Average-Consistent	3-9					X	X			X				Traditional bleeding heart in white, may go dormant after blooming, particularly in high heat.	
X	Dicentra	Love Hearts	Bleeding Heart	Part-Full Shade	10-12	10-12	white/purple tip	blue-green	Late Spring	Average-Consistent	3-8					X	X			X				Unique color - pure white heart shaped blooms line with purple cover blue-green, fern-like foliage.	
	Dicentra	Luxuriant	Bleeding Heart	Part-Full Shade	12	18	rose-pink	green ferny	Late Spring	Average-Consistent	3-9					X	X			X				Tolerates more sun and summer heat than others, especially if given adequate moisture.	
	Dicentra spectabilis		Bleeding Heart	Part-Full Shade	30-36	24	rose-pink	green	Late Spring	Average-Consistent	3-9					X	X			X				Traditional bleeding heart, may go dormant after blooming, particularly in high heat.	
	Echinacea	Cheyenne Spirit	Coneflower	Full-Part Sun	22-30	14-20	mix	green	Mid-Late Summer	Low-Average	3-8			X	X		X			X				Big, hardy plants come in range of shades of purple, red, orange, yellow, and white.	
X	Echinacea	Doubledecker	Coneflower	Full-Part Sun	40	24	magenta-pink	green	Mid-Late Summer	Low-Average	3-8			X	X		X			X				Large magenta-pink flowers sprout another set of petals atop the cone, in a most amusing and charming cap. It is as if another set of petals have flown in and perched. Echinacea Double Decker has single blooms often in their first year, but from the second year and thereafter it will produce a high number of double blooms.	
	Echinacea	PowWow White	Coneflower	Full-Part Sun	16-20	12-16	white	green	Mid-Late Summer	Low-Average	3-8			X	X		X			X				Full plants put on an incredible garden show reminiscent of the old-fashioned Coneflowers with low to no maintenance.	
	Echinacea	PowWow Wild Berry	Coneflower	Full-Part Sun	16-20	12-16	purple	green	Mid-Late Summer	Low-Average	3-8			X	X		X			X				AAS winner, full plants put on an incredible garden show reminiscent of the old-fashioned Coneflowers with low to no maintenance.	
	Eryngium planum	Blue Glitter	Sea Holly	Full Sun	8-36	8-12	blue	green	Mid Summer	Low-Average	4-8			X	X									Will grow in hot, sun-baked spots that nothing else survives, even thrives in high-salt soils too. Spiny, blue flowers tower over short plants are adored by florists for uniqueness & make great dried flowers.	
	Eupatorium	Baby Joe	Joe Pye Weed	Full-Part Sun	24-36	24	mauve	green	Mid Summer-Fall	Average-Consistent	3-8			X	X		X			X				Large, domed mauve-purple flowers on dark purple-red stems is great planted in a boggy area or spot with clay soil that doesn't drain well.	
X	Fern Athyrium	Godzilla	Giant Japanese Painted Fern	Part-Full Shade	36	30-36		silver-purple		Average-Consistent	3-8							X						Forms a massive, arching clump of silvery fronds with green highlights & dark purple stems.	
	Fern Athyrium	Ursula's Red	Japanese Painted Fern	Part-Full Shade	12	12		silver-red		Average-Consistent	4-8							X						Silver fronds with a red-tinged central stripe.	
	Gaillardia	Fanfare	Blanket Flower	Full Sun	18-24	18-24	scarlet/yellow	green	Early Summer-Fall	Low-Average	3-10				X		X			X				Huge scarlet flowers flare outward from center with yellow tips. Blooms all season.	
	Geranium	Havana Blues	Cranesbill	Full-Part Sun	12-16	14	blue	green	Late Spring-Fall	Average	4-9				X	X	X	X						Very special because of big, blue flowers with dark veins. Leaves start greenish yellow, which is unusual, flowers all summer.	
	Geranium	Hocus Pocus	Cranesbill	Full-Part Sun	16	18	lavender-purple	bronze-purple	Late Spring-Fall	Average	4-8				X	X	X	X						Dark bronze-purple foliage and lavender-purple flowers. Easy to grow.	
X	Geranium	Plenum	Cranesbill	Full-Part Sun	16-20	24	purple	green	Late Spring-Fall	Average	4-8				X		X	X						Fluffy double violet-blue flowers tinged with pink. Plants need to be cut back hard after blooming to encourage fresh new foliage. Unlike a lot of other types, this is a sterile form that will not self seed all over the place. Easily divided in spring or early fall. Foliage usually develops good red fall colour.	
X	Geranium	Purple Pillow	Cranesbill	Full-Part Sun	8-12	18-24	dark purple	green	Late Spring-Fall	Average	4-8				X		X	X						Superb plant for cottage gardens, borders or informal borders in mass plantings. Attention to bees and it is very disease and deer resistant. A great plant for a beginner gardener.	
	Grass Andropogon	Indian Warrior		Full Sun	5-6 ft	24-36	purple	green-red	Late Spring	Low-Average	3-9			X			X					X		Long-lived grass forms a tall, strictly upright clump of green foliage that transitions to red then deep purple beginning mid summer. Deep purple flowers with bright red-orange pollen.	
	Grass Calamagrostis	Karl Foerster	Feather Reed Grass	Full Sun	5 ft	24-36	wheat	green	Late Spring	Low-Average	4-8			X			X						X	Wheat-like seed heads appear in late spring and last all season. Does not reseed.	
	Grass Panicum	Prairie Fire	Switch Grass	Full Sun	4-5 ft	24	rosy	bronze-green	Late Summer	Any	4-9			X			X			X				MUST HAVE: Blue-green foliage turns wine-red by early summer. Rosy flower appear above.	
X	Grass Schizachyrium	Smoke Signal	Little Bluestem	Full Sun	3-4 ft	18-24	tan	blue-green	Early Fall	Low-Average	3-9			X			X			X				Blue-green foliage begins to take on scarlet red tones in late summer, turning a deeper red-purple through the fall. Tiny, tan seed heads appear in early fall on the top half of the stems, improvement over older cultivars, this grass maintains its strictly upright habit through fall, great choice if you are looking to restore an eroded site, or for a plant that will grow in hot, dry areas where other plants have a hard time surviving.	
	Helleborus	Ivory Prince	Lenten Rose	Part-Full Shade	6-12	6-12	blush	green	Early-Mid Spring	Low-Average	4/5-9	X		X		X	X							Flowers appear in early spring with daffodils & tulips. Provide rich, moist soil in a shady spot. May be a tender perennial in this area, so best placed in a spot protected from NW winter winds.	
	Hemerocallis	500 Entrapment	Daylily	Full-Part Sun	18	14	purple-blue	green	Mid Summer	Low-Average	3-9				X	X	X							Awesome flower power- named 500, since plants produce 500+ blooms after 3 years where most daylilies less than 200. Purple-blue flowers w/ yellow center & ruffled petal edge. One of most floriferous on market, producing over 800 blooms in a season.	
	Hemerocallis	500 Madeline Nettles Eyes	Daylily	Full-Part Sun	22	18	orange	green	Early Summer	Low-Average	3-9				X	X	X							Awesome flower power- named 500 series, since plants produce 500+ blooms after 3 years where most daylilies do not exceed 200. Orange w/ dark purple eye & edge above yellow green throat.	
	Hemerocallis	Blizzard Bay	Daylily	Full-Part Sun	24	18	white	green	Early Summer	Low-Average	3-9				X	X	X							Near white, soft yellow center rippled edge in 5" blooms, will rebloom during summer.	
	Hemerocallis	Fragrant Returns	Daylily	Full-Part Sun	17-19	14	lemon yellow	green	Early Summer	Low-Average	3-9		X		X	X	X							Strong, sweet fragrance, everyblossoming in light lemon yellow, destined to be one of the best.	
	Hemerocallis	Happy Returns	Daylily	Full-Part Sun	18	18-24	yellow canary	green dark	Early Summer	Low-Average	3-9				X	X	X							Blooms early summer and continues sporadically until frost. Heat tolerant.	
	Hemerocallis	Moses Fire	Daylily	Full-Part Sun	20	24	red	green	Early-Mid Summer	Low-Average	3-9				X	X	X							Usually repeat blooms. Double blooms in deep red.	
	Hemerocallis	Moussaka	Daylily	Full-Part Sun	22	20	white-purple	green	Early-Mid Summer	Low-Average	3-9				X	X	X	X						Unique blooms are white with purple center & ruffled purple edge and green throat.	
	Hemerocallis	Stella d'Oro	Daylily	Full-Part Sun	15	24	gold	green	Early Summer-Fall	Low-Average	3-9				X	X	X	X						Highest Award Winner! Best reblooming for color all summer.	
	Hemerocallis	Stella in Purple	Daylily	Full-Part Sun	24	24	purple-red	green	Early Summer-Fall	Low-Average	3-9						X	X						Excellent rebloomer like Stella d'Oro. Purple-red flowers have a green throat.	
	Hemerocallis	Stella in Red (Ruby)	Daylily	Full-Part Sun	18	18	red-ruby	green	Early Summer	Low-Average	3-9				X	X	X	X						Excellent rebloomer like Stella d'Oro. Vibrant ruby-red flowers have a yellow throat.	
	Heuchera	Autumn Leaves	Coral Bells	Part-Full Shade	8-18	15	pink/white	red/taupe/ruby	Late Spring-Mid Summer	Average	4-9				X	X	X			X				Changes its personality as the days grow longer. Leaves of red in spring, taupe in summer and ruby-red in fall. Heat & Humidity tolerant.	
	Heuchera	Berry Smoothie	Coral Bells	Part-Full Shade	18-28	20	purple/white	rose pink	Late Spring-Mid Summer	Average	4-9				X	X	X			X				Definite "wow" plant, amazing spring color of rose pink, also nice blend of heat loving and cold tolerant.	
	Heuchera	Big Top Gold	Coral Bells	Part-Full Shade	16	14-18	cream	orange-green	Late Spring-Mid Summer	Average	4-9				X	X	X			X				Large, up to 8", curling, orange-green leaves have purple-red undersides with large creamy blooms. Best heat tolerance.	

NEW	Crop	Variety	Common Name	Sun	Height (inches)	Width (inches)	Flower Color	Foliage Color	When Flower	Water Needs	Zone	Tender (need cover)	Fragrant	Cut Flower	Attracts Butterflies	Attracts Hummingbirds	Deer Resistant	Rabbit Resistant	Rock Garden	US Native	Climbing	Evergreen	Ground Cover	Water/Bog Plant	Description
	Heuchera	Caramel	Coral Bells	Full Sun-Shade	12-26	12-15	white	yellow shades	Mid Summer	Average	4-9				X	X	X		X					Prized for its vigor & robust habit with leaves that range in color from apricot to amber with purple-red undersides.	
	Heuchera	Christa	Coral Bells	Full Sun-Shade	10-24	10	pink	orange shades	Mid Summer	Average	4-9				X	X	X		X					Young foliage is nearly all rose-purple with a peach underlay, becoming more peach as leaves mature. Similar in vigor & robust habit to Caramel.	
	Heuchera	Citronelle	Coral Bells	Full Sun-Shade	12	14	cream	chartreuse	Mid Summer	Average	4-9				X	X	X		X					Robust, citron yellow hybrid with silverered undersides, appreciates more shade than sun.	
	Heuchera	Electra	Coral Bells	Part-Full Shade	7	11	white	yellow-red	Mid-Late Summer	Average	4-9				X	X	X		X					Shocking, blood-red veins stay white leaf changes from shades of yellow in spring, to chartreuse in summer and fall.	
	Heuchera	Electric Lime	Coral Bells	Part-Full Shade	12-16	28	white	chartreuse	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Large leaves have red veins under cool temps, but turn lime-tinted in summer. Great heat & humidity tolerance.	
	Heuchera	Georgia Peach	Coral Bells	Part-Full Shade	14-30	24	creamy white	peach	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Great heat and humidity tolerance. Peach leaves with silver overlay - intensifies to rose purple in fall.	
	Heuchera	Lime Rickey	Coral Bells	Part-Full Shade	8-17	18	white	lime green	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Lime green is hot! Great compliment to other colors and brightens up shady spots.	
	Heuchera	Lime Ruffles	Coral Bells	Part-Full Shade	11-24	18	white	chartreuse	Late Summer-Fall	Average	4-9				X	X	X		X					Vigorous mound with very large & ruffled lime green leaves with a frosty white overlay. It will take more sun & heat than other chartreuse varieties.	
	Heuchera	Obsidian	Coral Bells	Full-Part Sun	10-24	16	creamy white	black	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Black satin leaves won't fade even in full sun, easy to grow, great compliment to any color you choose.	
	Heuchera	Peach Flambe	Coral Bells	Part-Full Shade	7-16	14	white	peach	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Bright peach leaves glow in spring, turning to plum by frost.	
	Heuchera	Rave On	Coral Bells	Full-Part Sun	8-20	14	pink	silver	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Heaviest blooming! If you want foliage color and flower power this is it, even in the sun.	
X	Heuchera	Carnival Watermelon	Coral Bells	Part-Full Shade	10-12	12-14		peach-bronze	Spring	Average	4-9				X	X	X		X					Peach-pink new growth maturing to bronze-green.	
	Heuchera	Zipper	Coral Bells	Full Sun-Shade	8-18	12	white	amber	Late Spring	Average	4-9				X	X	X		X					Brightly colored, seriously ruffled leaves are well-colored all year & change from orange in spring & fall to golden amber in summer, always with magenta backs showing. Larger leaf means better heat & humidity tolerance.	
	Heucherella	Alabama Sunrise	Foamy Bells	Part-Full Shade	12-20	12	white	gold/red	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Great heat and humidity tolerance. Foliage is bright gold with red veins turns green to orange pink by fall.	
	Heucherella	Day Pink Glow	Foamy Bells	Full-Part Sun	7-16	14	pink	green	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Blooming with hundreds of branched, brilliant pink flower stalks, this one stuns from day one.	
	Heucherella	Falls Redstone	Foamy Bells	Full-Part Sun	10-15	36	white	copper	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Ruby-splashed, butterfly-like foliage is adorned in wonderful, warm autumnal tones that change colors with the seasons. Spreading habit acts as groundcover.	
	Heucherella	Falls Yellowstone	Foamy Bells	Part-Full Shade	6-12	24	white	chartreuse	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Lovely chartreuse lobed leaves with deep crimson markings. The stems will trail nearly 3 ft in a container or as a super groundcover.	
	Heucherella	Golden Zebra	Foamy Bells	Full-Part Sun	10-18	12	white	bronze	Late Spring-Mid Summer	Average	4-9				X	X	X		X					Great heat and humidity tolerance. Bright yellow, feathery leaves are boldly marked with dark-red.	
	Heucherella	Sweet Tea	Foamy Bells	Part Sun	20-27	28	creamy white	orange-cinnamon	Late Spring	Average	4-9				X	X	X		X					Huge cinnamon stars are surrounded by orange tea colored borders, which darken in summer and lighten up in fall. Great heat tolerance.	
	Hibiscus	Lord Baltimore	Rose Mallow	Full Sun	4-5 ft	30-36	crimson-red	green	Mid Summer-Fall	Average-Consistent	4-9				X	X	X		X				X	One of a few hardy hibiscus for zone 4! Huge, 10" crimson-red blooms on a big plant.	
	Hibiscus	Midnight Marvel	Rose Mallow	Full Sun	4 ft	30-36	scarlet red	wine purple	Mid Summer-Fall	Average-Consistent	4-9				X	X	X		X				X	One of the hottest perennials & hardy for zone 4! Combines deep wine purple, maple-like foliage with scarlet-red flowers with very long flowering.	
	Hibiscus	Summerific Cherry Cheesecake	Rose Mallow	Full Sun	4-5 ft	5-6 ft	white/pink/rose	green	Mid Summer-Fall	Average-Consistent	4-9				X	X	X		X				X	Compact, well-branched & heavily budded makes this hibiscus one of the showiest all summer, especially key since blooms only last 1 day.	
	Hollyhock (Alcea)	Queeny Purple	Hollyhock Mallow	Full Sun	18-24	12-24	purple double	green	Summer	Average	3-8			X	X	X								Short-lived perennial, typically green first year, flowers second year and hopefully resumes to make new plants the next year.	
X	Hosta	Abiqua Drinking Gourd	Plantain Lily	Part Sun	18	22	white	blue	Early Summer	Average	3-8				X	X								2014 Hosta of the Year! Dark blue-green seersuckerleaved with heavy substance. Probably the most deeply cupped foliage of any hosta cultivar makes for a distinct and unique specimen.	
	Hosta	August Moon	Plantain Lily	Full Sun-Shade	20	42	lavender	gold	Mid-Late Summer	Average-Consistent	3-8				X	X								Large leaves have excellent slug resistance. Gold color intensifies in full sun.	
	Hosta	Aureomarginata	Plantain Lily	Part-Full Shade	20	40	lavender	green/gold edge	Mid-Late Summer	Average-Consistent	3-8				X	X								Medium sized plant has dark green leaves with golden-yellow edge.	
	Hosta	Blue Angel	Plantain Lily	Part-Full Shade	36	48	white	blue-green	Mid Summer	Average-Consistent	3-8				X	X								Large leaves have excellent slug resistance.	
	Hosta	Blue Umbrella	Plantain Lily	Part-Full Shade	32	48	lavender	blue	Mid Summer	Average-Consistent	3-8				X	X								Huge blue leaves are cupped downward like umbrellas. Excellent slug resistance.	
X	Hosta	Curly Fries	Plantain Lily	Part-Full Shade	6	16	lavender	gold	Mid Summer	Average-Consistent	3-8				X	X								2016 Hosta of the Year! Perfect for tucking into small spots, plants form an arching mound of wiggly narrow gold leaves. As the plants mature the petioles will develop red specks. For the best color locate the plant where it can get a few hours morning sun.	
	Hosta	Empress Wu	Plantain Lily	Part-Full Shade	36-48	48	lavender	dark green	Early-Mid Summer	Average-Consistent	3-8				X	X								The largest known hosta available makes a tremendous focal point of any garden. Huge, thick dark green, deeply veined leaves with pale reddish violet flowers.	
X	Hosta	First Frost	Plantain Lily	Part-Full Shade	16	36	lavender	blue-cream	Mid Summer	Average-Consistent	3-8				X	X								Selection prized for its robust foliage which remains attractive straight through to first frost! Rich blue-green leaves have a creamy-yellow border that gradually fades to white. Excellent adaptability to varied climates and conditions. 2010 Hosta of the Year.	
X	Hosta	Francee	Plantain Lily	Part-Full Shade	14	30	lavender	dark green-white	Mid-Late Summer	Average-Consistent	3-8				X	X								Beautiful, bold foliage for those sometimes difficult to fill shady areas. More Sun tolerant.	
	Hosta	Gold Standard	Plantain Lily	Part-Full Shade	20	36	lavender	green light/dark	Mid Summer	Average-Consistent	3-8				X	X								Leaves have dark green edge with light green centers with turn gold by summer.	
	Hosta	Guacamole	Plantain Lily	Full Sun-Shade	22	38	white	green light/dark	Mid-Late Summer	Average-Consistent	3-8		X		X	X								Huge, apple green leaves with dark green edges. Centers become brighter gold in summer.	
	Hosta	Hadspen Blue	Plantain Lily	Part-Full Shade	14	18	lavender	blue	Mid Summer	Average-Consistent	3-8				X	X								Highly recommended blue hosta, holds its color longer than many other blues. Leaves are of heavy substance, making Excellent slug resistance.	
	Hosta	Humpback Whale	Plantain Lily	Part-Full Shade	3 ft	7 ft	white	blue	Early Summer	Average-Consistent	3-8				X	X								Bred by the Queen of Hostas, 1st time this giant sized hosta available commercially, once auctioned off for \$725 at fundraiser. Massive, dome-shaped mound is bluest in springtime. Spear-shaped leaves with blue-green edges and chartreuse centers fading to white. Slug resistant.	
	Hosta	June	Plantain Lily	Part-Full Shade	15	20	lavender	green light/dark	Mid-Late Summer	Average-Consistent	3-8				X	X								Medium sized plant with deep green leaves and nearly pure white centers. One of the best white centered.	
	Hosta	Krossa Regal	Plantain Lily	Part-Full Shade	40	48-72	lavender	blue-green	Mid-Late Summer	Average-Consistent	3-8				X	X								Formerly known as 'Undulata Variegata,' wavy leaves w/ white centers & irregular green margins, twisted at tips.	
	Hosta	Loyalist	Plantain Lily	Part-Full Shade	18	24	lavender	white/green edge	Mid Summer	Average-Consistent	3-8				X	X								Thick yellow leaf with small dark-green edge, in sunny location yellow center gets an orange glow, later coloring to crème-white.	
	Hosta	Mediopicta	Plantain Lily	Part-Full Shade	15	38	lavender	green-white	Mid Summer	Average-Consistent	3-8				X	X								Sun tolerant and very distinctive dark green leaves with crisp white edges.	
	Hosta	Orange Star	Plantain Lily	Part-Full Shade	20	10	ilic	yellow-green	Mid Summer	Average-Consistent	3-8				X	X								Glossy lime to green leaves spotlighted with red purple in the leaf base and flower stems, makes this one uniquely stunning when in bloom. Good slug resistance.	
	Hosta	Patriot	Plantain Lily	Full Sun-Shade	22	30	lavender	green/white edge	Mid Summer	Average-Consistent	3-8				X	X								It has lightly cupped leaves that are heavily puckered or corrugated. The glossy leaves emerge light green, but soon develop golden centers with dark green margins. The centers gradually lighten as the season progresses. It has the best color when planted in an area that receives morning sun.	
	Hosta	Purple Heart	Plantain Lily	Part-Full Shade	10-12	10	lavender/purple	green/purple	Mid-Late Summer	Average-Consistent	4-9				X	X								You have to feel it to believe it! Thickest hosta leaves are ultimate in slug resistance. Cupped, puckered leaves have wide, blue margin w/ narrow, light green center that brightens to yellow. Exhibits greater sun tolerance.	
X	Hosta	Rainforest Sunrise	Plantain Lily	Part-Full Shade	8	18	lavender	gold-green	Mid Summer	Average-Consistent	3-8				X	X								Thick, yellow foliage with dark green edge emits an orange glow from the center in sunny locations.	
	Hosta	Rhino Hide	Plantain Lily	Part-Full Shade	20	18	white	blue-green	Mid Summer	Average-Consistent	3-8				X	X								Huge, wavy, frosted blue-green leaves with yellow to creamy white edge.	
	Hosta	Ripple Effect	Plantain Lily	Part-Full Shade	8-12	16-20	cream-lavender	yellow/green edge	Mid Summer	Average-Consistent	3-8				X	X								Received its name from the white strip appearing between the dark green margin & gold center. 2005 Hosta of the Year.	
	Hosta	Sagae	Plantain Lily	Part-Full Shade	28	38-50	lavender	variegated	Mid-Late Summer	Average-Consistent	3-8				X	X									
X	Hosta	Striptease	Plantain Lily	Part-Full Shade	20	30	pale violet	green-white	Mid-Late Summer	Average-Consistent	3-8				X	X									

2015 Pork Plants Perennial List

NEW	Crop	Variety	Common Name	Sun	Height (inches)	Width (inches)	Flower Color	Foliage Color	When Flower	Water Needs	Zone	Tender (need cover)	Fragrant	Cut Flower	Attracts Butterflies	Attracts Hummingbirds	Deer Resistant	Rabbit Resistant	Rock Garden	US Native	Climbing	Evergreen	Ground Cover	Water/Bog Plant	Description
